garividi, vizianagaram  
GPA 8.33

## Languages

**english** (*professional*)

**telugu** (*professional*)

## Certificates

**edx**

rav ahuja

Apr 2024

### Full Stack Java

SkilldZire

## Projects

### Laptop sales

Jun 2024 - Present

A laptop e-commerce website should have a user-friendly design with clear product pages, search filters, and a secure checkout process. Backend development includes database management, user authentication, and order processing. Security measures like secure payment gateways are essential.

## Volunteer Experience

### volunteer web developer

Aug 2023 - Aug 2023

Avanthi Engineering College

Developed and maintained a responsive website for a local non-profit organization using React.js and Django, improving their online presence and outreach.
